

Seed Mosaics

Supplies:

- Lots and lots of seeds!
- Quick dry tacky glue
- Cardstock paper
- Scissors
- Hole punch*
- String*

*only needed if you want to turn your mosaics into necklace charms

How to:

Step 1: Cut out any shape you want for the base of your seed mosaic

Step 2: Collect seeds of different shapes, sizes and colors

Step 3: Apply glue to paper and place seeds on wet glue

*If using small seeds it's easiest to sprinkle a lot on to the wet glue then shake off the excess seeds when the glue is dry

Step 4: Let your seed mosaic sit until the glue is completely dry and you're done!
