Continue **your** commitment to transforming lives in our community.

By making a planned gift to Ithaca Children's Garden through your Will or estate plan, you can create a personal legacy and make a lasting impact to ensure Ithaca Children's Garden will serve families and children for many generations to come.

There are many ways to plan a future gift to ICG. The most common are:

1. **Beneficiary Designations:**

You can name ICG as a beneficiary in your retirement plan, annuity, and life insurance policy. This is the easiest way to give a future gift. Just ask your plan provider for a beneficiary designation form and include Ithaca Children's Garden (EIN 52-2291247) to receive a specific amount or percentage of assets.

2. **Bequests:**

You can affirm your commitment to the next generation of environmental stewards by including Ithaca Children's Garden in your Will or living trust.
